JUNIOR WEEK PROGRAM.

Tentative Schedule of Events for Prom-Week.

The preparations for the junior promenade, which will be held February 12th—the Monday following the examinations—are more elaborate than usual. The committee is not yet prepared to publish full details. A college german is planned for Friday night, February 9.

The I. K. A. tea will open the festivities as usual, Thursday afternoon. In the evening the St. Anthony and Delta Kappa Epsilon dances will probably be held. Friday afternoon will be the Alpha Delta Phi tea, and Saturday the college tea, with the Glee Club concert in the evening. The usual vesper services will be held in the chapel on Sunday. Monday afternoon the Psi Upsilon tea will conclude the approach to the crowning event—the junior promenade.

THE TROPHY ROOM.

To the Editor of the Tripod:

Some time ago the suggestion was made by Professor Gettell before a body of undergraduates that a T club be formed of all, both alumni and undergraduates, who have won their T. This seemed to me to be an excellent idea, but as far as I know, nothing has yet been done about it. Of course there is no use in starting a new organization until the need for it is felt and until there is some very definite work for it to do. It is in order to point out this work that I write now.

To my knowledge there is no one person or group of persons in charge of the Trophy Room of the college. As a consequence this room is being neglected more and more. Few of the pictures of the teams which have represented the college for the past few years are on the walls. Fewer of the baseballs and footballs used in games which have been victories for Trinity are found there as silent testimonials to our athletic triumphs, and what baseballs and footballs are there are crowded into a little case meant to hold about half the number it now contains.

Where are the footballs we might have in there, such as Trinity 42, Wesleyan 0, Trinity 12, Wesleyan 6, and a score of others telling of such victories?

The Trophy room is a disgrace to the athletic record of Trinity College, especially to that of the last two or three years. How is that record going to live unless there is some reminder of it at the college? The room is small, but why not hang some of the pictures on the walls of the "gym" above the running track?

Some organization ought to take this matter up and make that room a real trophy room that Trinity might be proud of. At present it is the last place to which I should take a visitor in showing to him the places of interest around the college.

Very truly yours,
PAUL ROBERTS.

ALUMNUS HONORED.

Rev. F. F. Kramer, '89, Elected Warden of Seabury School.

Rev. Frederick F. Kramer, '89, rector of All Saints' Church, Denver, Col., has been elected warden of Seabury Divinity School, Faribault, Minn. The position of warden was left vacant by the resignation of the Rev. F. A. McElwain, to become dean of the Cathedral of Our Merciful Saviour, Faribault. Dr. Kramer graduated in 1889, took his M. A. in 1893 and received a B. D. from the General Theological School of New York in 1892. For six years he was instructor in languages in the University of Colorado, which gave him the degree of Ph. D. in '95. Here he earned the reputation of being a careful scholar and strong teacher. He has been in his present rectorate for seventeen years. It is expected that he will enter upon his new duties about January 1.

SIBERIA NEXT.

To the Editor of the Tripod:

I am enclosing herein a page from the *Calgary Daily Herald* which is the evening paper of this city to let you see that even out here in the western part of Canada Trinity is mentioned. I have marked out in ink the piece in the paper that I refer to. It alludes to the new captain of next year's football team.

Yours very sincerely,

STANLEY P. GRINT, '11.
Calgary, Alberta, Dec. 9.

MARRIAGE OF ELWELL, '09.

Ceremony performed by President Luther last Tuesday.

At Bloomsburg, Pa., in the presence of only the immediate families, the wedding of Miss Sara Milleisen, daughter of Mr. and Mrs. M. Milleisen, to G. Edward Elwell, son of Mr. and Mrs. George E. Elwell, was solemnized at 6 o'clock Tuesday morning, Dec. 12th at the home of the bride's parents.

The ceremony was performed by President Luther.

Their wedding tour included a trip through the New England States with a few days spent at Trinity.

The bride is a graduate of Lasell Seminary, Auburndale, Mass., class of 1908. The groom, since his graduation from Trinity in 1909, has been with his father (Trinity '70) in the extensive printing concern of G. E. Elwell & Son.

News of the wedding will come as a surprise to many of their friends, as the exact time of the wedding was known to few outside of the immediate families, and was a quiet one because of illness in the family. Mrs. Luther accompanied the President on his trip and was present.

✦

COMMUNICATION.

To the Editor of the Tripod:

I have just noticed with great pain that the quality of wood in the newer class room benches is far inferior to that in the old ones. While perhaps there may be something to say in favor of soft wood from the standpoint of comfort, yet it seems to me that the students would be willing to sit on a hardwood seat for an hour in order to partake of its other advantages.

Just what I mean will appear upon examination of the old benches and armrests, which will be found decorated with carvings of great historical, if not artistic, value. These have many, of them, been preserved upwards of thirty years, and promise to last many more years to come. But what will become of the tender, loving labor of today, with the inferior raw material supplied? I shudder to think. We are not building as our fathers built.

SENTIMENT.

NOTICES

Students must return all library books before December 21st, unless special permission has been obtained from the Librarian to keep them over the holidays.

The next issue of the *Tripod* (Tuesday's) will be the last until January 9th.

FOOTBALL SMOKER.

Large Attendance Expected Friday Night.

An informal smoker will be given in honor of the football team tomorrow night at Bond's cafe. Professor Gettell has promised to attend and the team is expected to be there to a man.

There will be no regular program, as the committee in charge desires to have the event as informal as possible. A large number of students will be on hand, as usual, and it is hoped that the alumni will also turn out. There is no admission fee, and the service will be a la carte.

✦

NOTICE.

There will be a meeting of the Press Club next Monday evening at 6.45 when Professor Gill will speak to the men here about the publicity work during the spring term. All who are interested are invited to be present.
